Commissioner for Patents**Response to Amendment**

The amendment filed on December 7, 2010 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because elected claim 25 was drawn to a method of administering a composition, however, Applicant has now cancelled claim 25 and presented new claim 42 drawn to a method of making a composition. All dependent claims are also drawn to the method of making.

Since the above-mentioned amendment appears to be a bona fide attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
